founded in 2002

Professional organization of educators,
teachers, dance and music teachers,
therapists, speech therapists, educators,
psychologists.

Member of Orff Schulwerk Forum at the
Orff Institute, Mozarteum in Salzburg.

Promotes and fosters a complete musical,
pedagogical and artistic approach to the
child, *Orff Schulwerk* encourages creative
musical creativity.

Based on the philosophy of Carl Orff:
*Music is intended for all children, not just
those musically and intellectually gifted.
Music is acquired as the native language
by listening and imitating.*

SUMMER WORKSHOP

**SOUND OF
GARDEN
2018**

**ETI
Vinkovec**

ETI Vinkovec

We want to enjoy the peaceful conditions of nature and nature in a rural environment. This is where everyone will feel good. Learning, creating ... or just resting.
www.eti-vinkovec.org

Vinkovec, a village between Vrbovec and Zelina, 45 minutes from the city and 30 minutes from the airport. Close enough to come and far enough to escape. Large garden, cozy halls, superb instruments and educational equipment. Comfortable accommodation and homemade cuisine in direct connection with nature.

Sound of Garden

Residential five-day Orff Schulwerk and Music therapy seminar and workshop called The Sound of Garden will be held for the fourth year in a row, in the village Vinkovec, near Zagreb, in the natural environment of the ETI school. Special seminar features are:

- restricted number of participants (10-15)
- led by expert music educators, trained at the Orff Institute in Salzburg
- experienced and qualified lecturers in the field of MusicTherapy
- musical activities conducted in natural surroundings
- Orff holistic approach in merging music and nature for educational and therapeutical purposes
- introducing elements of environmental therapy
- music-playing session regardless of previous musical experience

Accommodation is provided in wooden houses and food is from our garden, prepared by friendly hosts.
